Bible Bowl

The first Bible Bowl competition of the year is just around the corner, and our teams have been furiously preparing. With participation nearly doubling this year we will be fielding two teams, one in the primary division and one in the senior division.

The teams and their coaches have been working hard in Bible class, at home, and with all day study sessions between Sunday services. Please keep them in your prayers for safe travels and ready recollection of their studies.

Our coaches this year are Connie Mayberry and Courtney Reese. The competitions will take place once a month, January through March, at the Walled lake congregation. We have wonderful coaches, parents and children involved and it is a truly enriching experience for all who are involved. It helps draw us closer together through the deep study of God's word.

Turning Point

We are currently collecting goods for Turning Point, a shelter and haven for those who have experienced or are experiencing domestic violence. There is information in the foyer and if you have further questions about the work please see sister Julie Rande.
