Thanksgiving Baskets

We have begun collection of supplies for our annual Thanksgiving Basket drive. This year our aim is to supply full Thanksgiving meals for local families with need. There is an insert available in the foyer with a shopping list and further details. Special financial contributions are welcome as well, and will go toward the purchase of the turkeys and other fresh goods closer to the delivery date.

Marriage Enrichment

We will be hosting a marriage enrichment dinner here at the building on Saturday, November 11th. It's a great opportunity to get to know each other better, learn about God's plan for marriage, and discuss issues facing marriage in our current time. Feel free to bring children, as there will be activities and supervision for them as well.

We are currently collecting goods for Turning Point, a shelter and haven for those who have experienced or are experiencing domestic violence. There is information in the foyer and if you have further questions about the work please see sister Julie Rande.
