Parking Lot Work

There will be NO Wednesday evening Bible Study this week, as work will commence on the parking lot construction. We plan to resume our regular schedule on Wednesday, August 22.

Backpack Drive

Just as last year, now is the time to focus on the collection of new backpacks fully stocked with school supplies for young students with need. We are also collecting monetary donations for the supplies. There is a full list of the supplies we aim to provide available in the foyer for your shopping convenience.

We aim to package them on August 22nd. If you have any questions about the work, please see Megan Cracchiolo.

Upcoming Events

Sign-up sheets are always being added to the back bulletin board. There plenty of exciting things to sign up for, so be sure to check.

Turning Point

We are currently collecting goods for Turning Point, a shelter and haven for those who have experienced or are experiencing domestic violence. There is information in the foyer and if you have further questions about the work please see sister Julie Rande.
